Renew Now!

Guess what? Your annual membership dues are now due. Please use the form below (or a reasonable facsimile thereof) to send in your dues for 2004.

If you are planning to attend the annual meeting, renewals can be paid for there as well.

By the way, if you joined the club for the first time during or after September 2003, then you do not have to renew -- your membership doesn't expire until December of 2004.

The reasons for renewing are numerous, the main one being you'll be the first to know when and where the meets are being held.

You'll also receive complete results from each event and you'll be eligible for reduced entry fees at all **BFLO** events.
